Director

Mr. Kerry Bradford

Fundraising Coordinator

Mrs. Amy Goldberg

March 13, 2020

Dear Parents and Guardians,

We have been diligently working to keep our program as healthy and safe as possible considering the Coronavirus outbreak. As of today, we do not have any cases of Coronavirus within our day program. However, we know from our health professionals and officials that gathering in groups can perpetuate the spread of the virus.

To date, we have received a great deal of information about the importance of taking significant measures to minimize the spread of the coronavirus. In consultation with the Department of Health and other local officials, we have decided, that New Beginnings for Tomorrow will temporarily close for two (2) weeks, effective Monday, March 16, 2020, through March 27, 2020.

We continue to clean and sanitize high volume areas and surfaces at our day program and have additional cleaning supplies as necessary.

We take the health and safety of our clients and staff very seriously and any decision to disrupt our client's routine is not taken lightly. Considering the potential health risks, we feel strongly that we need to be proactive and responsive with the emerging information.

I will continue to communicate with our family community regarding any updates and hope that our client's and families remain in good health! Thank you in advance for your cooperation and continued partnership.

Best regards,

Kerry Bradford
Director
